Medical Assistance and Repatriation

Please read this carefully and follow the information provided below

It affects the management of *your* case and if applicable, the organisation of *your* return home.

Contact must be made with the Assistance Company immediately where applicable and practically possible; any delays may affect the provision of assistance and *your* subsequent claim.

Where emergency medical assistance is required this is provided by *our* assistance company within the terms and conditions of the policy, and when making contact with them *you* are requesting medical assistance in advance of filing a claim.

The Assistance Company must be contacted in the event that:

- *you* are admitted to hospital
- *you* have been advised to return home early
- *your* claim is likely to exceed £750.00 or equivalent in local currency

If *you* are in the USA, Canada or Mexico no medical costs may be incurred without the express permission of the Assistance Company

Contacting the Assistance Company does not remove the requirement to complete a claim form

What to expect from the Assistance Company

After obtaining information from *you* about *your* insurance and *your* medical condition they will assess the situation which may involve contacting the treating doctor and in some circumstances *your* usual GP at home.

This can take time, especially at weekends or busy periods, as they are not always immediately available.

The Assistance Company has their own doctor who is the Medical Director and a Travel Medical Specialist. Between them, the treating doctor and *your* GP if necessary, they will agree the appropriate course of action for *you*, taking into consideration the cover under the policy and *your* medical condition. In certain circumstances they may ask *you* to contact *your* GP for a second opinion.

Please be aware that there may be occasions where the Assistance Company's doctor takes a different view from the local doctor and in order for *your* policy to respond *you* should take the advice given by the Assistance Company.

Cover Declined

If there is cause for concern that there may be no provision under the policy for *your* accident or illness, the assistance company may decline to offer assistance under this insurance.

They will however offer assistance on a personal basis with *you* and a separate contract will be made. *You* will need to pay their fee and settle any local bills.

You can then if *you* wish, file an insurance claim on *your* return.

This situation could arise where there is insufficient medical information available or there is evidence to show there is no provision under the policy.

Private Treatment

Please read the explanation under the heading 'Emergency Medical Expenses', on page 2. In the unlikely event that a local doctor refers *you* to a private clinic or hospital approval must be sought from the Assistance Company before any treatment is agreed by *you*.

A claim form must be completed within 31 days of the date of the incident, even if *you* have not paid any bills yourself.

Travelling if Pregnant

Pregnancy is not a medical condition, so *you* are able to travel however, travel providers have their own restriction due to health and safety, so *you* should check with them before *you* book. Please make sure that *your* Doctor and midwife are aware of *your* travel plans, that there are no known complications and that *you* are not travelling against any medical advice. We hold the right to request a medical certificate to confirm this.

By Air After 28 weeks most airlines will require a letter from *your* Doctor or midwife confirming *your* estimated date of delivery and stating that there are no complications.

By Sea Ferry companies have their own restrictions and may refuse pregnant women beyond 32 weeks.

By Car, Coach or Train There are no known restrictions.

Emergency Medical Expenses

Travel insurance is not a private health plan. It covers emergency treatment in state hospitals unless the treating doctor has advised otherwise and approval is sought from the Assistance Company, or, if not available, to a satisfactory 'Western' standard, emergency treatment in a private hospital, as well as doctors bills, medication, repatriation, and the like.

This insurance contains certain exclusions and conditions about the state of health of all persons covered by this insurance and their *relatives*, and close *business colleagues*. Please read the Emergency Medical Expenses and Cancellation and Curtailment sections of this document carefully and in particular the exclusions relating to health. If *you* are in any doubt whether *you* or any other person is eligible for full cover, please contact MPI Brokers on +44 (0) 1428 778421.

Off Piste Skiing/Snowboarding

Many policies either exclude this or limit skiing 'off piste' to be with a guide.

It is *our* view that this is impractical as one can ski 'off piste' unwittingly and in certain circumstances it is possible to ski on a 'pisted' run which is designated 'off piste'.

It is due to this type of confusion that we at MPI Brokers have negotiated with underwriters that there is no such exclusion or limitation in this policy. There is, however, a general requirement, common to all insurance, to behave in a sensible manner.

Watersports

We cover all forms of water sports and water based activities on inland waters, rivers and up to 12 miles from the coast.

We cover offshore sailing (in *yachts*) in all waters of Western Europe and up to 12 miles off shore in the rest of the world excluding areas where the Foreign and Commonwealth Office have advised there is a danger of war or piracy.

If *you* are planning to sail outside Western Europe and more than 12 miles off shore please apply for terms giving a detailed itinerary of *your* planned passage.

We do not cover Public Liability where *you* own or are in possession or use of motorised vehicles, *yachts* or motorised waterborne craft with an engine capacity in excess of 6 horsepower or the vessel has covered accommodation.

We do not cover racing other than dinghies, for other racing we may do so on application.

Participating in Sports and Activities?

Other than skiing and watersports if *you* are planning to participate and have pre-booked any sport(s) or activity(ies) which could be considered hazardous, or unusual:-

Please contact MPI at info@mpibrokers.com

to establish the cover available or we may if necessary, arrange a more suitable policy

Please also note General Exclusions i to l on page 9

How to Make a Claim

If *you* wish to make a claim under the policy (which must be done in any event if *you* have contacted the Assistance Company) please download a claim form from:-

www.mpibrokers.com

which should be printed, completed, and forwarded to the address shown on the form, or *you* may phone MPI Brokers on +44 (0) 1428 778424 if *you* do not have access to the internet and MPI will post *you* a form.

There are separate conventions relating to *loss* (*loss*, *damage* or *delay*) caused by an Airline.

Luggage If the Airline has caused a *loss* it is a condition of this insurance that *you* make a claim against the Airline within 21 days.

Delays There are rules that the Airline must follow in respect of delays or cancellations. It is a condition of this policy that *you* follow the instructions/advice given by the Airline.

This must be done and the completed claim form sent to MPI Claims within 31 days of the date of loss, accident or sickness, or 7 days in the event of loss by an Airline. If this is late, your claim may be declined.

You must file a claim even if you have not paid the medical provider or rescue services.

Data Protection Act

Information you supply will only be used for the purpose of providing you with this insurance contract, the administration of your policy and handling any claim you make. We, the insurers, and all parties acting on our behalf will handle any information you provide in accordance with the data protection laws in force in the country in Europe in which you reside.

Sanctions

Lloyd's Syndicate 4444 shall not provide any benefit under this contract of insurance to the extent of providing cover, payment of any claim or the provision of any benefit where doing so would breach any sanction, prohibition or restriction imposed by law or regulation.

Several Liability Notice

The liability of an insurer under this contract is several and not joint with other insurers party to this contract. An insurer is liable only for the proportion of liability it has underwritten. An insurer is not jointly liable for the proportion of liability underwritten by any other insurer. Nor is an insurer otherwise responsible for any liability of any other insurer that may underwrite this contract.

The proportion of liability under this contract underwritten by an insurer (or, in the case of a Lloyd's syndicate, the total of the proportions underwritten by all the members of the syndicate taken together) is shown in this contract.

In the case of a Lloyd's syndicate, each member of the syndicate (rather than the syndicate itself) is an insurer. Each member has underwritten a proportion of the total shown for the syndicate (that total itself being the total of the proportions

underwritten by all the members of the syndicate taken together). The liability of each member of the syndicate is several and not joint with other members. A member is liable only for that member's proportion. A member is not jointly liable for any other member's proportion. Nor is any member otherwise responsible for any liability of any other insurer that may underwrite this contract. The business address of each member is Lloyd's, One Lime Street, London EC3M 7HA. The identity of each member of a Lloyd's syndicate and their respective proportion may be obtained by writing to Market Services, Lloyd's, at the above address.

Although reference is made at various points in this clause to "this contract" in the singular, where the circumstances so require this should be read as a reference to contracts in the plural.

Fraud

The insurers take a robust approach to fraud prevention in order to keep premium rates down so that you do not have to pay for other people's dishonesty. If any claim under this insurance is fraudulent, exaggerated, or is intended to mislead, or if any misleading or fraudulent means are used by you or anyone acting on your behalf to obtain benefit under this insurance, your right to any benefit under this insurance will end, your policy will be cancelled without any premium refund and the insurers will be entitled to recover any benefit paid and costs incurred as a result of any such fraudulent or misleading claim. The insurers may also inform the police.

Subrogation/Assignment

If you are injured by, or if your death is caused by, someone else's negligence and we pay a claim under this policy, we may wish to attempt to recover from that person or organisation some or all of the amounts we have paid you or a beneficiary. You agree that we can, therefore, take over your legal rights and remedies against anyone who is responsible for the event(s) which lead to your claim, but only in relation to, and to the extent of, any payment made under this policy. If we choose to do this, we will be responsible for all costs incurred in pursuing a recovery of costs we have paid.

You or your beneficiary (as appropriate) must fully co-operate with us and give us any assistance we need to help us to recover some or all of the amounts we have paid under this policy. This includes, but is not limited to, (to the extent necessary) transferring to us your rights to take action but only in relation to, and up to, the amount paid by us under this policy.
