Contacting the Assistance Company does not remove the requirement to complete a claim form

What to expect from the Assistance Company

After obtaining information from you about your insurance and your medical condition they will assess the situation which may involve contacting the treating doctor and in some circumstances your usual GP at home.

This can take time, especially at weekends or busy periods, as they are not always immediately available.

Private Treatment

Please read the explanation under the heading 'Emergency Medical Expenses', on page 2. In the unlikely event that a local doctor refers you to a private clinic or hospital approval must be sought from the Assistance Company before any treatment is agreed by you.

A claim form must be completed within 31 days of the date of the incident, even if you have not paid any bills yourself.

Travelling if Pregnant

Pregnancy is not a medical condition, so you are able to travel however, travel providers have their own restriction due to health and safety, so you should check with them before you book. Please make sure that your Doctor and midwife are aware of your travel plans, that there are no known complications and that you are not travelling against any medical advice. We hold the right to request a medical certificate to confirm this.

By Air After 28 weeks most airlines will require a letter from your Doctor or midwife confirming your estimated date of delivery and stating that there are no complications.

By Sea Ferry companies have their own restrictions and may refuse pregnant women beyond 32 weeks.

By Car, Coach or Train There are no known restrictions.

Emergency Medical Expenses

Travel insurance is not a private health plan. It covers emergency treatment in state hospitals unless the treating doctor has advised otherwise and approval is sought from the Assistance Company, or, if not available, to a satisfactory 'Western' standard, emergency treatment in a private hospital, as well as doctors bills, medication, repatriation, and the like.

This insurance contains certain exclusions and conditions about the state of health of all persons covered by this insurance and their relatives, and close business colleagues. Please read the Emergency Medical Expenses and Cancellation and Curtailment sections of this document carefully and in particular the exclusions relating to health. If you are in any doubt whether you or any other person is eligible for full cover, please contact MPI Brokers on +44 (0) 1428 778421.

Off Piste Skiing/Snowboarding

Many policies either exclude this or limit skiing 'off piste' to be with a guide.

It is our view that this is impractical as one can ski 'off piste' unwittingly and in certain circumstances it is possible to ski on a 'pisted' run which is designated 'off piste'.

It is due to this type of confusion that we at MPI Brokers have negotiated with underwriters that there is no such exclusion or limitation in this policy. There is, however, a general requirement, common to all insurance, to behave in a sensible manner.

Watersports

We cover all forms of water sports and water based activities on inland waters, rivers and up to 12 miles from the coast.

We cover offshore sailing (in yachts) in all waters of Western Europe and up to 12 miles off shore in the rest of the world excluding areas where the Foreign and Commonwealth Office have advised there is a danger of war or piracy.

If you are planning to sail outside Western Europe and more than 12 miles off shore please apply for terms giving a detailed itinerary of your planned passage.

We do not cover Public Liability where you own or are in possession or use of motorised vehicles, yachts or motorised waterborne craft with an engine capacity in excess of 6 horsepower or the vessel has covered accommodation.

We do not cover racing other than dinghies, for other racing we may do so on application.

Participating in Sports and Activities?

Other than skiing and watersports if you are planning to participate and have pre-booked any sport(s) or activity(ies) which could be considered hazardous, or unusual:-

Please contact MPI at info@mpibrokers.com

to establish the cover available or we may if necessary, arrange a more suitable policy

Please also note General Exclusions i to l on page 11

How to Make a Claim

If you need to make a claim we will ask you for evidence to support your claim. You will find details of this within each section of cover.

Please contact us on 0345 122 3280.

The phone line is open 24 hours a day, 365 days a year.

Please ensure you keep copies of any documents you send to us. You must pay any costs involved in providing these documents. We may be required to contact your GP in the United Kingdom to check your medical records.

We will aim to answer all correspondence within five working days of receiving it.

We may record or monitor calls for training purposes or to improve the quality of our service.

Please notify us of your claim as soon as possible. Any unreasonable delays in your notification may mean that we may not pay your claim or may only pay part of it.

There are separate conventions relating to loss (loss, damage or delay) caused by an Airline.

Luggage If the Airline has caused a loss it is a condition of this insurance that you make a claim against the Airline within 21 days.

The expert must be approved in advance by us and the cost agreed in writing between you and us. Subject to this, we will pay the cost of getting the opinion if the expert's opinion indicates that it is more likely than not that you will recover damages (or obtain any other legal remedy that we have agreed to) or make a successful defence.

Fraud

If any claim under this insurance is fraudulent, exaggerated, or is intended to mislead, or if any misleading or fraudulent means are used by you or anyone acting on your behalf to obtain benefit under this insurance, your right to any benefit under this insurance will end, your policy will be cancelled without any premium refund and the insurers will be entitled to recover any benefit paid and costs incurred as a result of any such fraudulent or misleading claim. The insurers may also inform the police.

Subrogation/Assignment

You agree that we can, therefore, take over your legal rights and remedies against anyone who is responsible for the event(s) which lead to your claim, but only in relation to, and to the extent of, any payment made under this policy. If we choose to do this, we will be responsible for all costs incurred in pursuing a recovery of costs we have paid.

You or your beneficiary (as appropriate) must fully co-operate with us and give us any assistance we need to help us to recover some or all of the amounts we have paid under this policy. This includes, but is not limited to, (to the extent necessary)
