

MPI Brokers - Insurers

for our

Retail Travel Insurance and Overseas Resort Staff Policy

At MPI we have taken the bold decision to move our underwriting capacity offshore. This has allowed us greater flexibility in the areas of product design including the ability to handle our own claims and to insure Resort Staff of any nationality as well as those on EU contracts of employment.

This will also allow us in time to widen our scope to insure worldwide customers traveling outside their county of residence for skiing and general travel.
