The information supplied in this proposal form is to the best of my knowledge true and accurate and I am aware it will be shown to underwriters to form their judgment in setting premium for our customers travel insurance and it will be a binding part of our contract.

I have not withheld any material facts (a material fact is one which may affect underwriter's assessment of the risk and/or setting of rates. If you are in any doubt as to whether a fact is material or not it must be declared on this form).
